WRITING INSPIRATION

I learned never to empty the well of my writing, but always to stop when there was still something there in the deep part of the well, and let it refill at night from the springs that fed it.

ERNEST HEMINGWAY

And the idea of just wandering off to a cafe with a notebook and writing and seeing where that takes me for awhile is just bliss.

J.K. ROWLING

Concentration is my motto – first honesty, then industry, then concentration.

ANDREW CARNEGIE

A man should keep his little brain attic stocked with all the furniture that he is likely to use, and the rest he can put away in the lumber-room of his library, where he can get it if he wants it.

ARTHUR CONAN DOYLE

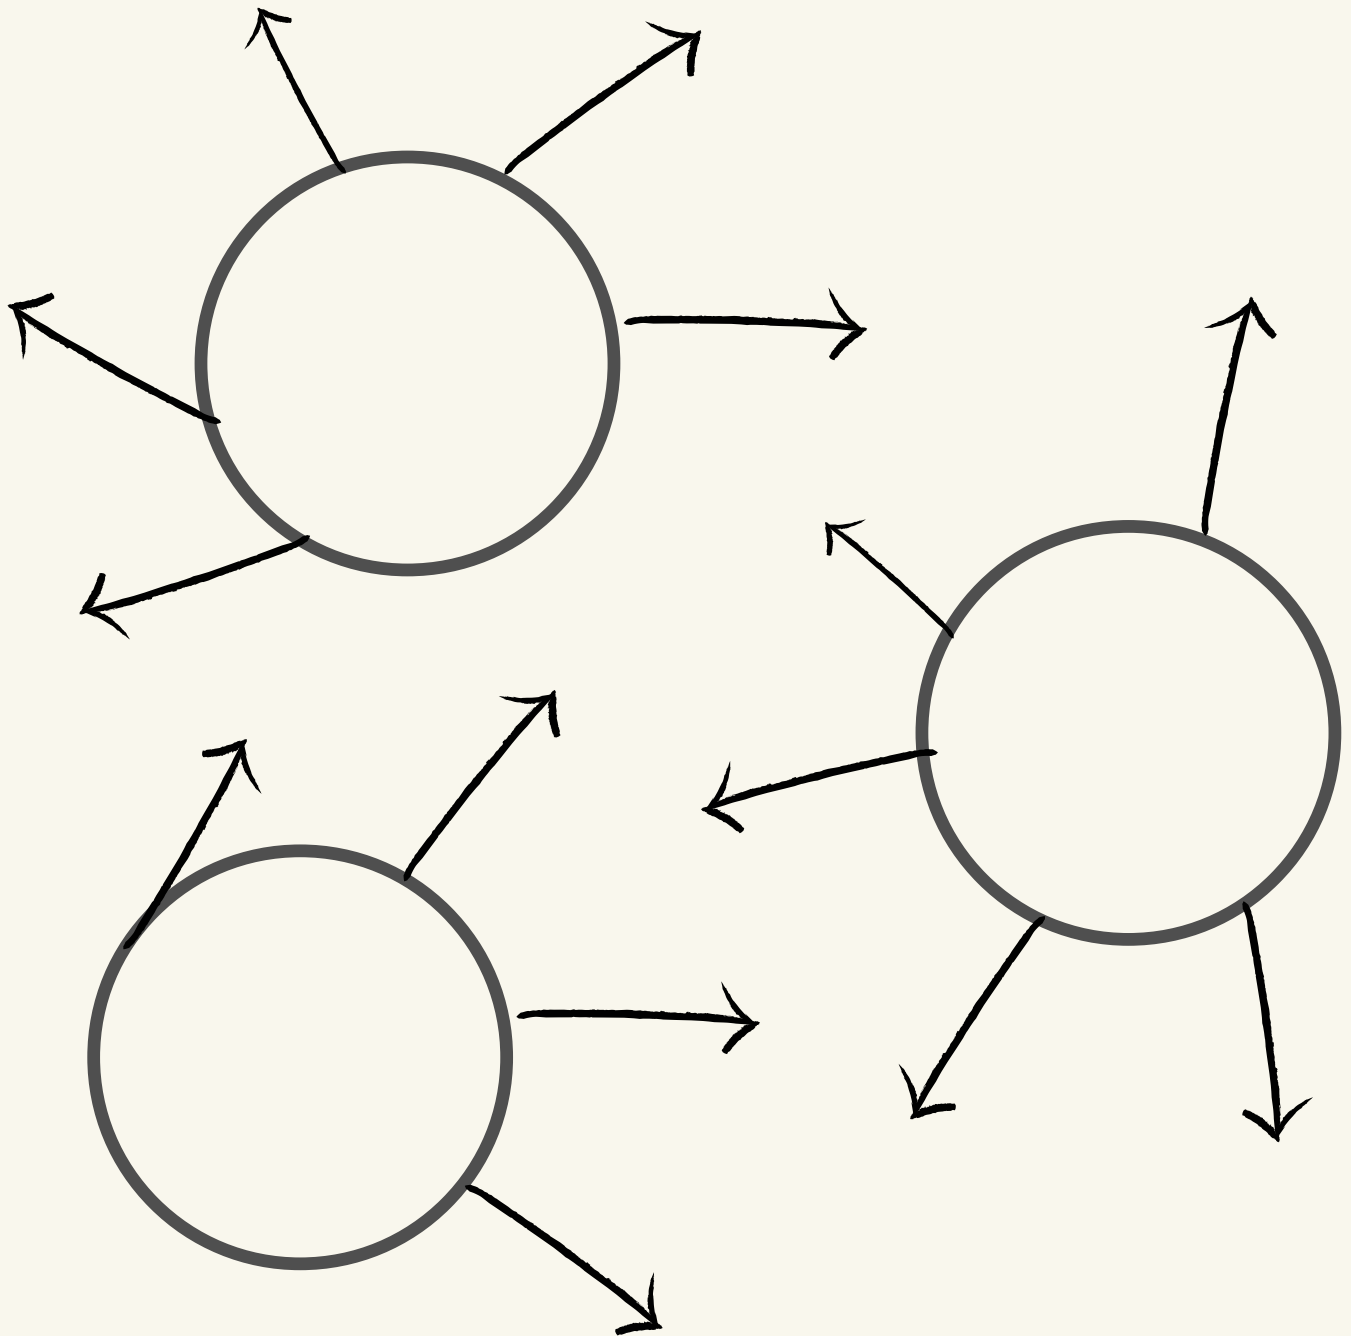

It takes a lot of courage to show your dreams to someone else.

ERMA BOMBECK

All we have to decide is what to do with the time that is given us.

J. R. R. TOLKIEN
