In a land of endless Winter, two heroes are born.

Jana has the magic of trees, Grieve has something...other than magic.

An oath to save their world will shape their destiny. End the Winter brought by the Ice Lord and his demons.

Enslaved by the ice demons, Grieve's path to discovering his dark heritage will force him to become a gladiator, dragon rider, and pirate. Jana battles the lure of the dark side of power as she strives to control her magic.

It's not going to be an easy journey. But there will be dragons.

Wintersun is an old school epic fantasy quest with fabulous beasts and extraordinary heroes.

UndergroundPlanet](https://books2read.com/UndergroundPlanet)

Renegade female mercenaries and hired killers.

A treasure hidden for a thousand years.

But old secrets never die – and some treasures should remain hidden.

Inside a planet wide labyrinth of mining tunnels, metal processing, acid waste levels, and abandoned cities is a thriving, genetically engineered ecosystem of predators, prey, and mutant humans. Constantly evolving and always hungry. It's a race against time as the teams fight to survive the planet and each other.

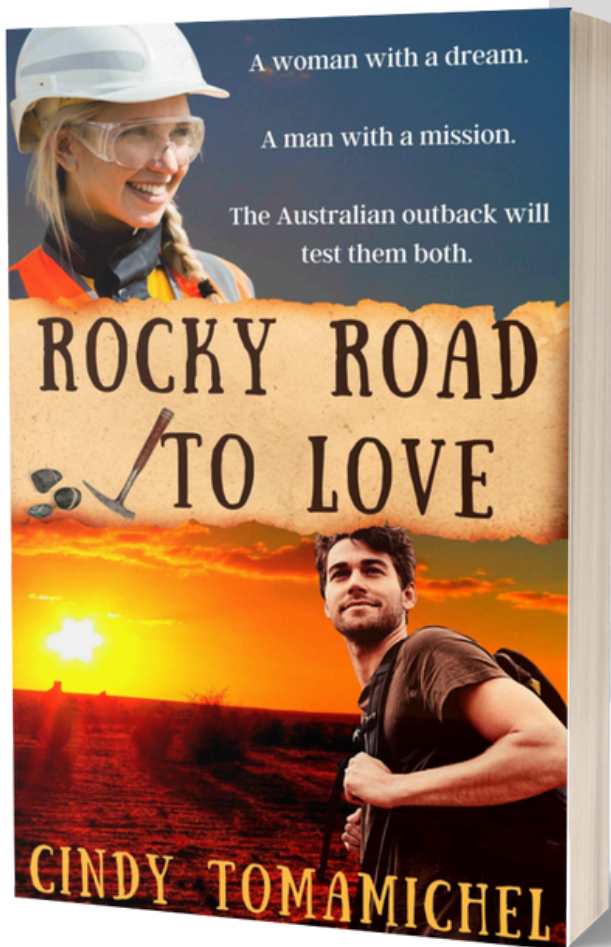

There are no prizes for coming second.

Get there first - or die.

A promise made to a dying grandfather drives Sandra's life. Dan's passion for the past will destroy her dreams for the future. Hopes for the past and future collide under the blazing desert sun.

Geologist Sandra knows it is out there—the El Dorado find that will save the future of the desert mining town of Broken Hill. Nothing will stand in her way to keep her promise to her grandfather, who died trying to find it.

Archaeologist Dan knows how fragile the past can be. History can be erased by the ambitious. It is his job to protect it —no matter the cost.

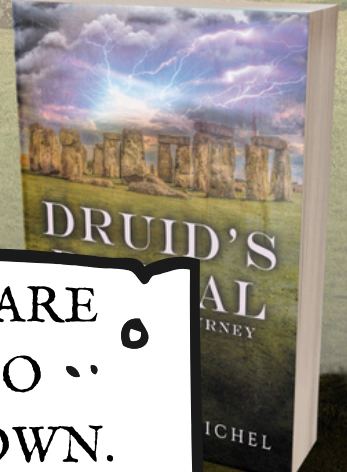

The harsh Australian desert will challenge them both, tear apart their hopes, test their love, and threaten their lives. How will the present save the past and the future?

FAN FICTION

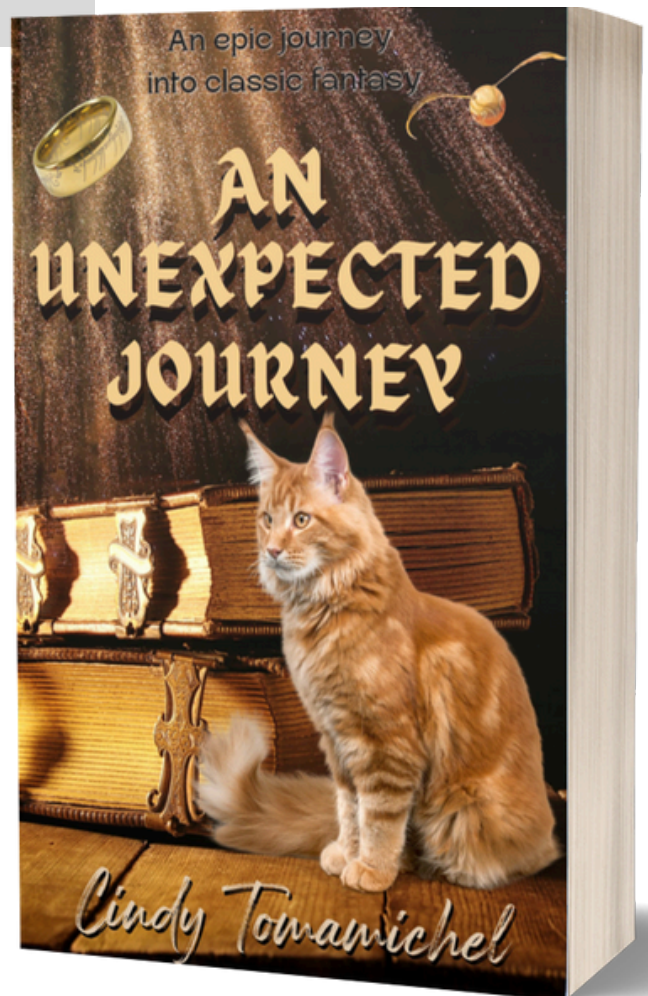

AN UNEXPECTED JOURNEY

Anne lives in a world of fantasy where her best friends are from Tolkien, Enid Blyton, Hogwarts, Dr. Who and Narnia.

On her birthday, Anne hopes for a Tolkien kind of day. Today will be that day. It will also be the worst day of her life.

The books and worlds of her imagination have been tainted - the plots have gone wrong.

Very wrong.
